

EZ Rackmount GeoVision DVR Up to 8TB Built In Storage

The EZ-Rackmount system is one of our our most popular surveillance solutions.

The EZ-Rackmount system is a state-of-the-art surveillance solution. The 4U, 19" Rackmount solution is ideal for installation into IT rooms and Network Cabinets and with dedicated operating system drive and up to 8TB of additional storage available, it is the perfect choice for even the most demanding of Digital CCTV Solutions.

Ideal for schools and other businesses with existing IT / Communication rooms.

The EZ-Rackmount solution is also the preferred solution for multiple systems, to provide up to 32 cameras with RAID storage capabilities.

The EZ Rackmount system is a DVR with very advanced features including 3G Remote View, Privacy Masking, MPEG-4 / H.264 Compression, Automatic Resume Record, Multi Protocol PTZ, I/O Integration and Hybrid Analogue and IP Camera Integration.
