Compact GeoVision NVR  
Up to 2TB Built In Storage

Compact GeoVision NVR  
Up to 2TB Built In Storage  
Ideal For Homes &  
Businesses

The ezVision NVR system is the latest surveillance solution from ezCCTV. Designed exclusively for IP Camera surveillance, this Network Video Recorder supports up to 4 IP Cameras from over 600 models including ACTi, AXIS, Arecont, Mobotix, Pelco and Sony.

Up to 2TB of storage can be provided for surveillance and it also includes DVD-RW for backup and LAN connectivity.

Built in VGA and TV Spot Monitor Outputs make the ezVision extremely versatile for any installation.

The EZVISION system is an affordable NVR with all the advanced features of our other surveillance solutions including 3G Remote View, Privacy Masking, MPEG-4 / H.264 Compression, Automatic Resume Record, Multi Protocol PTZ, I/O Integration and Hybrid Analogue and IP Camera Integration.

## Compact GeoVision NVR

### Up to 2TB Built In Storage

### The ezVision NVR System Range

#### ezVision NVR-4

The ezVision NVR supports up to 4 IP Cameras and has advanced features such as Real Time Live Display Enhancement and Picture in Picture View.

### Custom Built Surveillance

All ezCCTV surveillance systems are custom built to your requirements. ezCCTV use only the highest quality components and can build to your specifications. We can even apply your company's logos to the system as well any other advanced settings you may require prior to installation. All of our surveillance systems are fully soak tested for at least 72 hours and undergo a series of over 200 rigorous checks before shipping. All systems are also backed by our ezVision 3 Year warranty.
